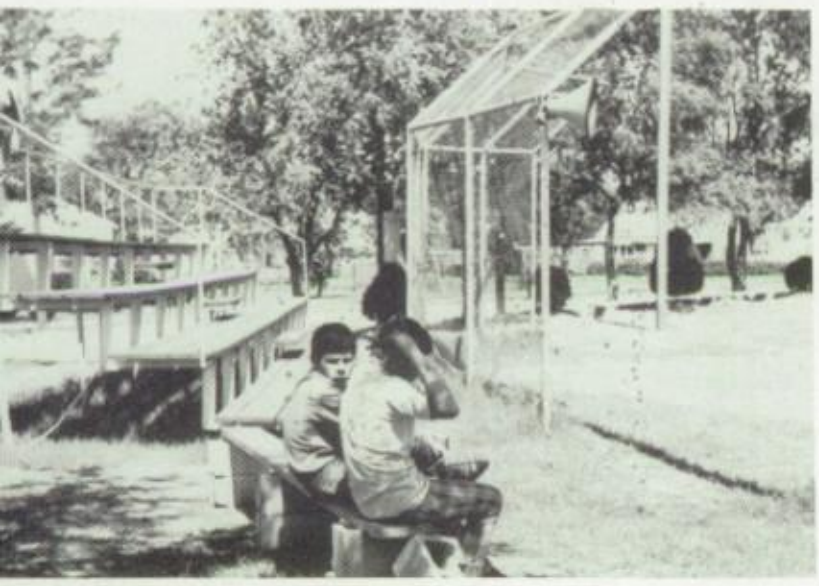
Through the past year we have watched our school grow and develope into a fine educational establishment. We realize that it is only through the faithful work of our school board members, that keep the operations of the school running smoothly, that makes all this possible.

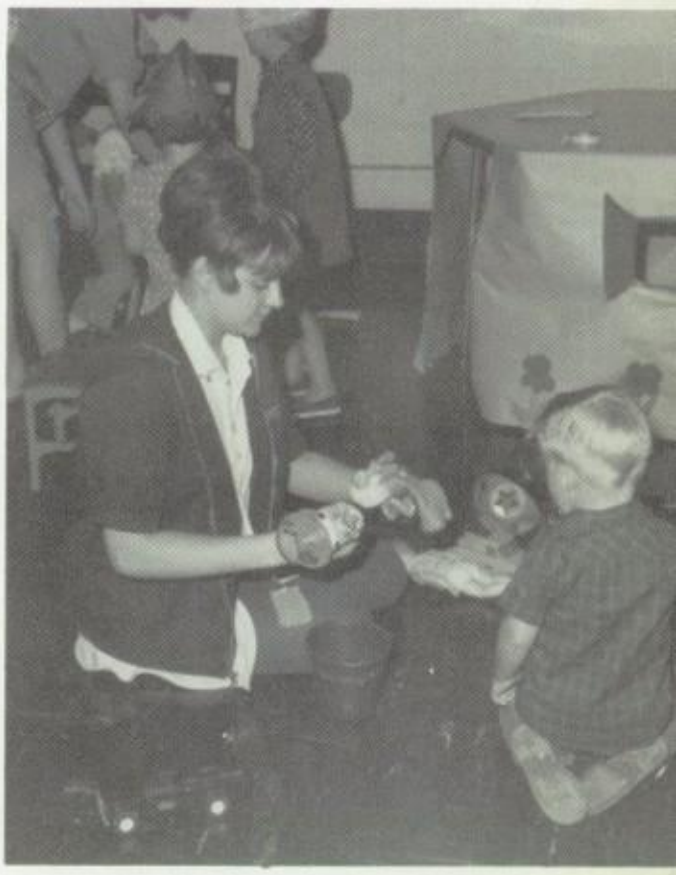
For your devotion, skill, understanding, and patience we dedicate to you; The School Board, The 1970 Chieftain.

To everything there is a season,



And a time to every purpose under heaven:

A time to be born,



And a time to die;

A time to plant,

And a time to pluck up that which is planted;

A time to
weep,

And a time
to laugh;

A time to mourn,
And a time to dance;

A time to
rend,

And a time to sew;

A time to keep
silence,
And a time
to speak;

A time to love,
And a time to hate;

A time
of war,

And a time of peace.

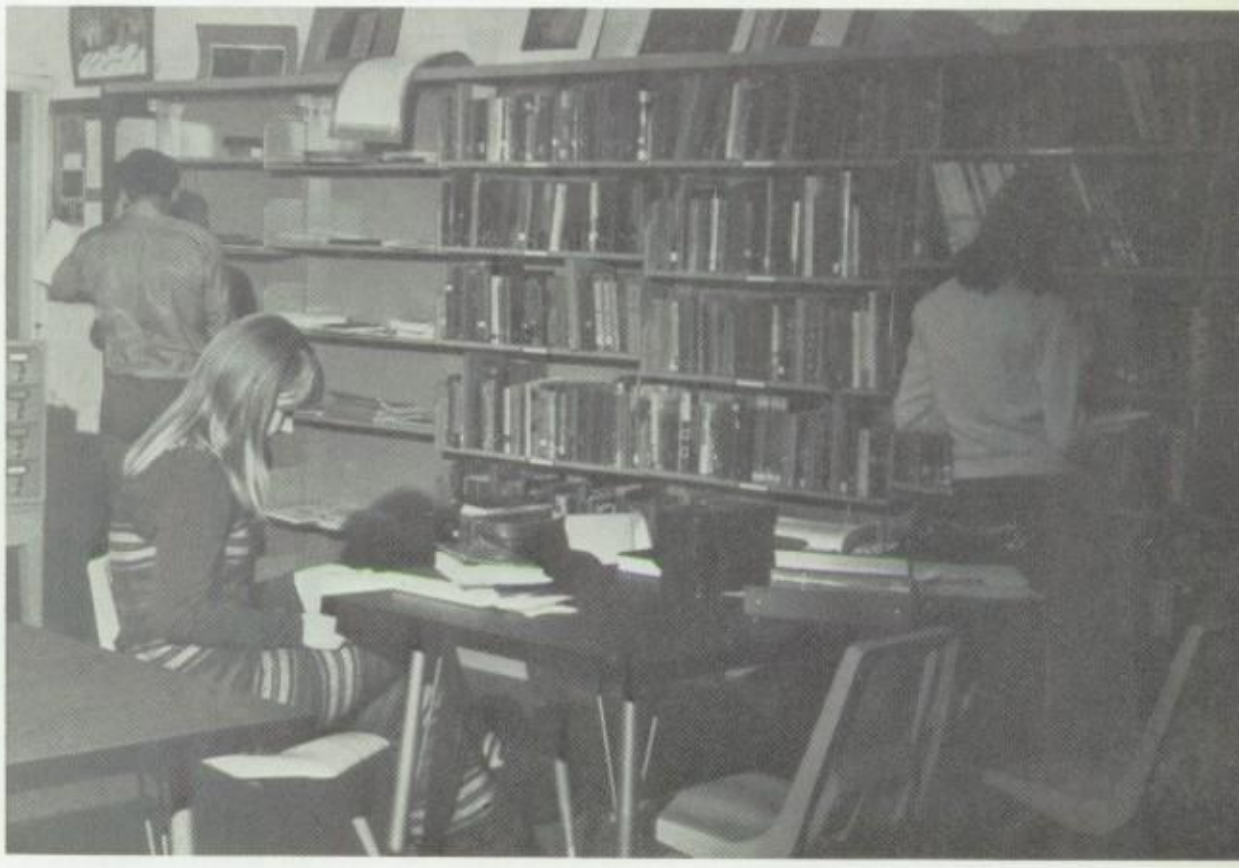
CLASSES

We Have Memories of . . .



Coming to School . . .

There are those who walk - you can tell them by the grass fresh with dew on their shoes. And there are those who ride. The parking lot soon fills with horns and wheels. The cars are parked, and their occupants file into the building in solemn tradition. The cyclists arrive and kick up their vehicles. Also, to arrive, are the yellow school busses which pour out their loads. By 9:00 the halls are empty and the classrooms full. The busses wait, and the parked cars, and motor bikes stand idle until 3:30.

There are many pathways leading to growth. Accumulating facts from a textbook, acquiring a skill through repeat practice, learning a trade with the help of an instructor - these roads to intellectual growth we encounter in school.

However, before we can use these things to work in the world we must learn to live in it. At home and our recreational activities we are constantly learning to improve our social and personal relationships.

ELEMENTARY

Probably one of the most important phases of our education is during the elementary years. This is where we start on our long journey down the road of learning. Along the way we encountered joys and sorrows, work and play. This is all a part of our education.

Under the supervision of loving teachers these young minds are molded and instructed, so they may be the leaders as well as the followers in tomorrow's world.

February 6, 1970 Washita Heights held its second homecoming. The homecoming week-end, packed with Chief activities, started Thursday afternoon with classes and organizations decorating their cars for the parade.

The bonfire was held at the Colony park later in the evening. The surprise of the evening came when Larry, Dean, Mickey, and Steve appeared dressed as Eakly cheerleaders. They were booed and harrassed and finally were burnt in effigy. Friday afternoon at 1:00 the parade started. The colors which were presented by the C & C Roundup Club led the parade through downtown Corn.

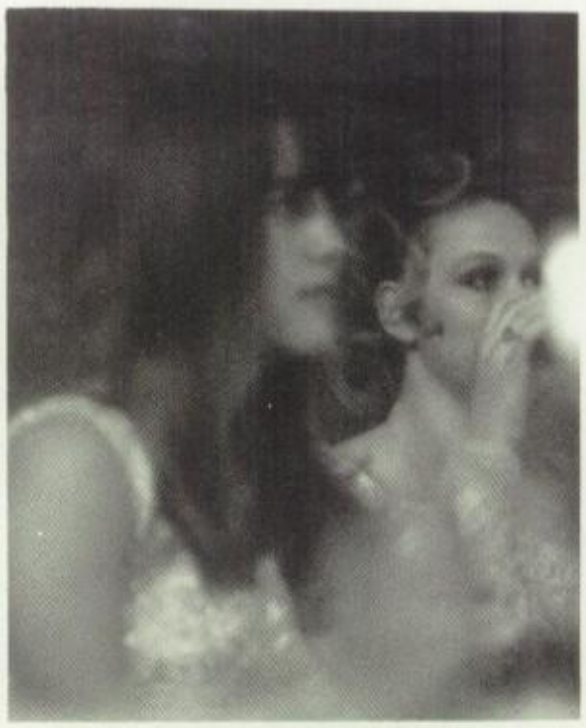
Queen Candidates - Trudy, Theresa, and Ona

In the evening tensions mounted as the Chiefettes roared to a victory over the Eagles. The halftime activities were now upon us at the halftime of the boys' game. The candidates for Homecoming Queen were Trudy Bond, Ona Flaming, and Theresa Hoock. Theresa Hoock and her escort Keith Kliewer, entered the gymnasium first followed by Trudy Bond and Ona Flaming and their escorts Larry Friesen and Troy Thiessen.

A slip of paper with the name of the queen was handed to the escort Troy Thiessen, who then revealed who the queen was by placing the crown on her head and with a kiss and giving her a bouquet of roses. He then assisted her to her throne. The other escorts and attendants then followed. The halftime activities were over. The queen and her attendants watched the rest of the boys' game from the stage.

Halftime Ceremonies

1970 Jr.-Sr. Banquet



April 25, 1970 the junior class honored the senior class with a banquet. The theme was "Signs of the Future." For the program Janet Gaunt, Dean Hinz, and Mr. Crabb gave speeches. The entertainment was provided by "The Fog."

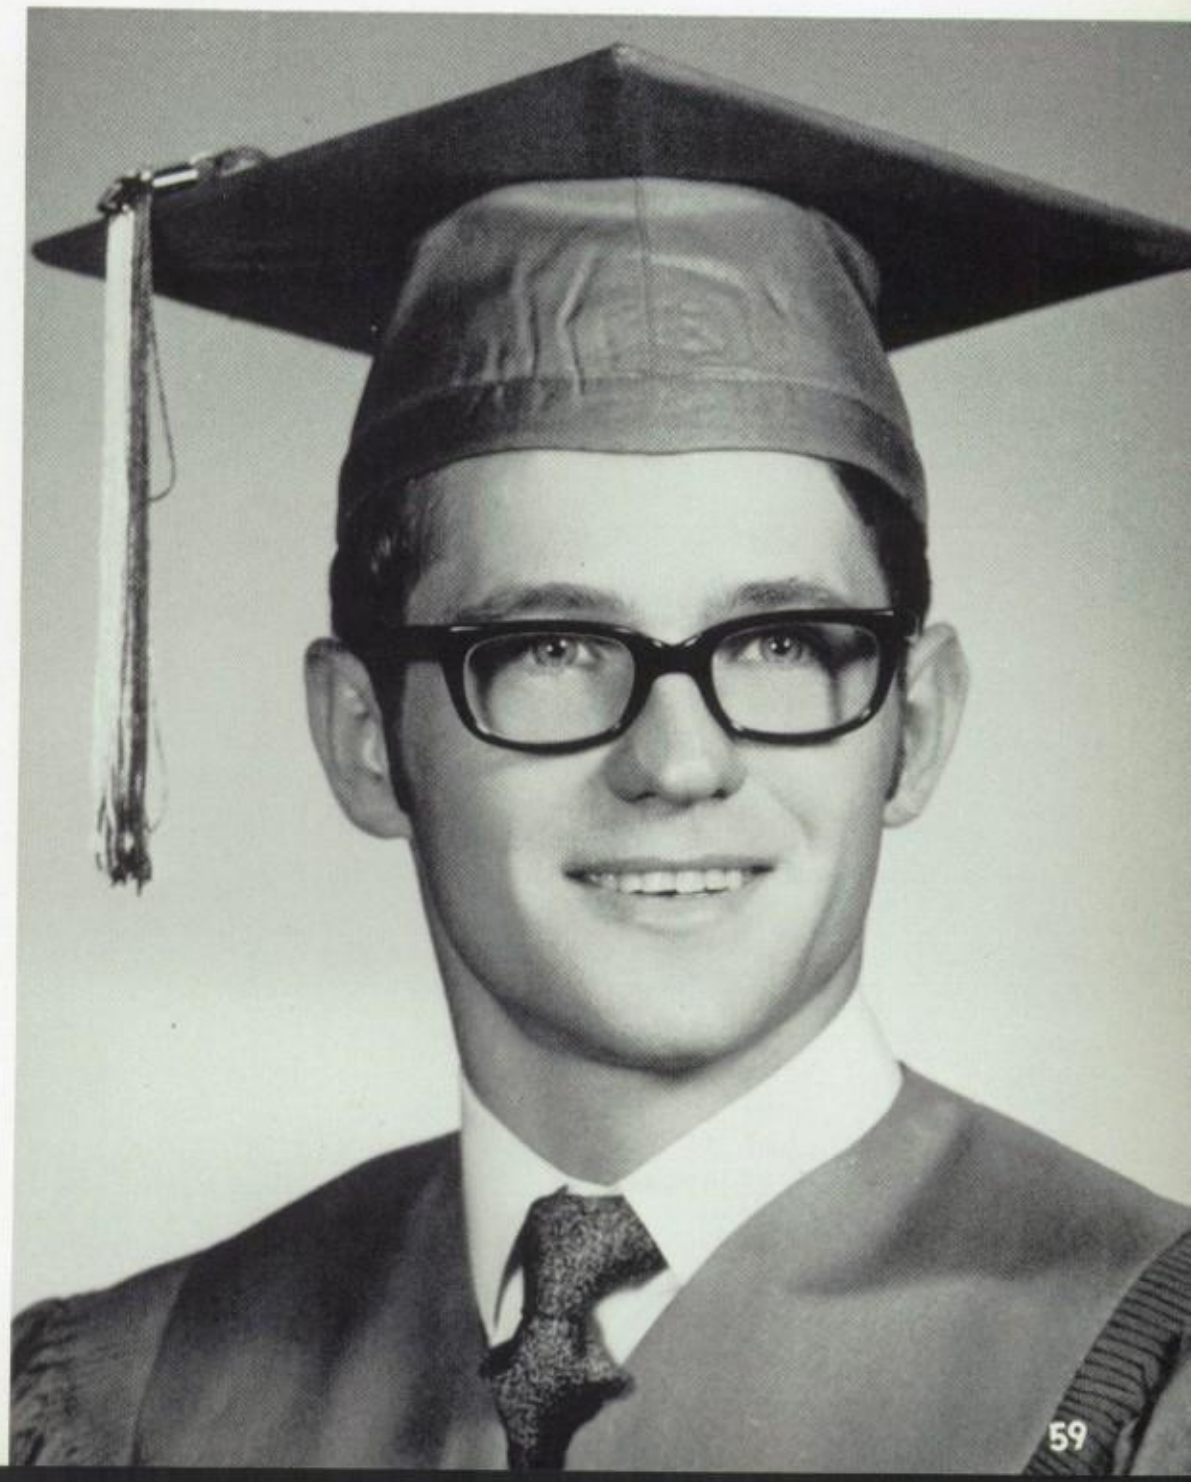
American Legion Citizenship Award awarded to Ona Flaming and Steve Flaming; honorable mention went to Trudy Bond and Dean Hinz.

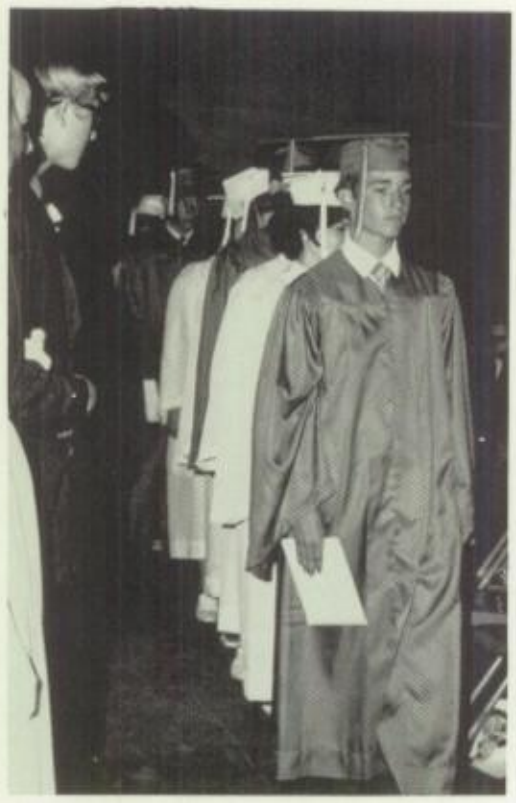
Trudy Bond — Valedictorian

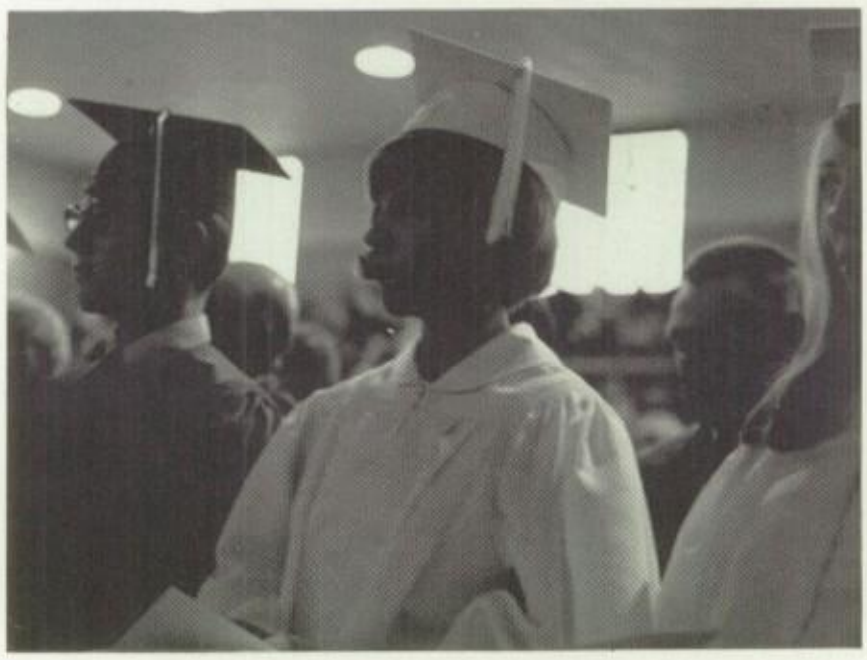
Trudy, active in all phases of school life, was the scholastic leader of the 1970 graduating class. Trudy is on the basketball team, a member of YFC, Pep Club, and FHA. She is the daughter of Mr. and Mrs. Othal Bond.

Dean Hinz — Salutatorian

Dean, salutatorian of the senior class, is president of the senior class; active in drama; president of the 4-H club; and a member of the boys' chorus. He is the son of Mrs. Marjie Hinz.







"Our Future Grows Brighter as our Past Grows Dim." Graduation Day 1970 was filled with many memories. A last minute straightening of hair and robes. A weak-kneed feeling as we walked through the Processional. Dr. Joe Hubbell's commencement address on the world's need for the enthusiasm of youth. The Recessional. And suddenly it is over. And just as suddenly, we realize that we spent this Graduation Day wavering between trying not to laugh and trying not to cry.

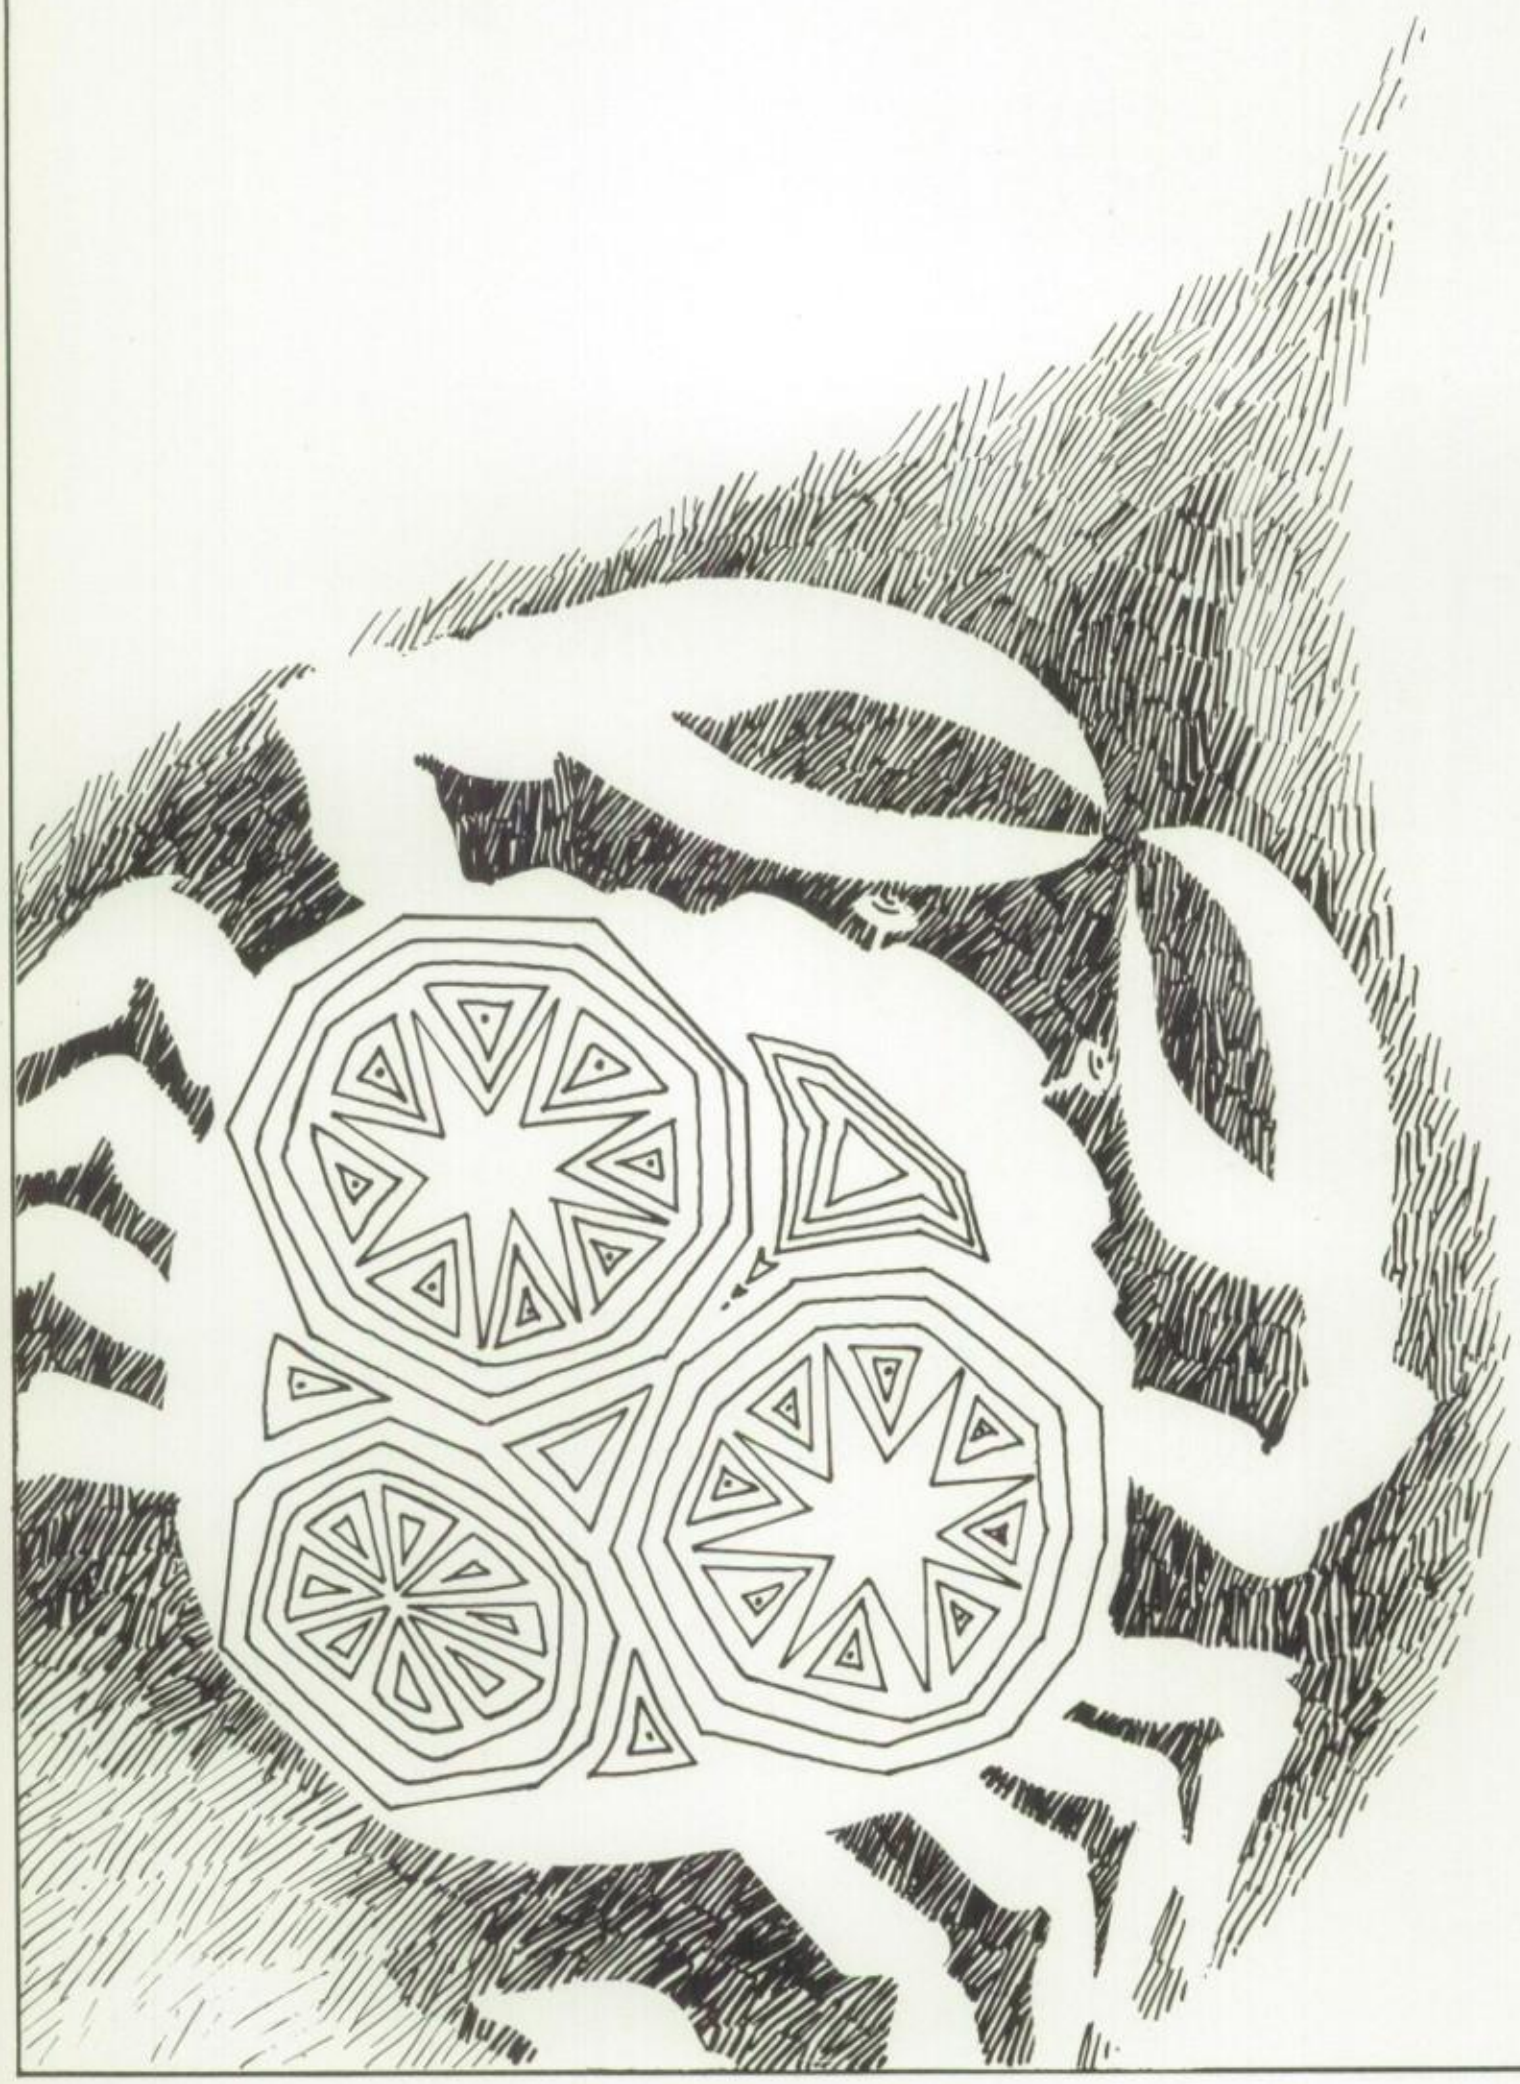
ORGANIZATIONS



Freedom is a personal thing. It is expressing one's self as a person feels. It is creating ... working ... expanding ... growing. It is believing in a particular concept, while your neighbor believes in the opposite. It is attending a movie, or painting a picture, or tinkering with a jalopy, or reading a book, or riding around - just because you want to. It is the development of a personality, an idea, a dream.

Student Council

Student council officers for the 1969-70 year are Larry Friesen, pres.; Rhonda Luekenga, vice pres.; Elaine Lowry, sec.; and Theresa Hoock, treasurer.

Selling T-shirts was one of the many activities sponsored by the student council.

FIRST ROW: T. Hoock, L. Friesen, R. Luekenga, E. Lowry. SECOND ROW: G. Nabors, M. Goosen, L. Lowry, M. Kroeker, S. Rhoads. THIRD ROW: W. Coffee, C. Funk, M. Davis, D. Veal, D. Groff, T. Thiessen.

Speech

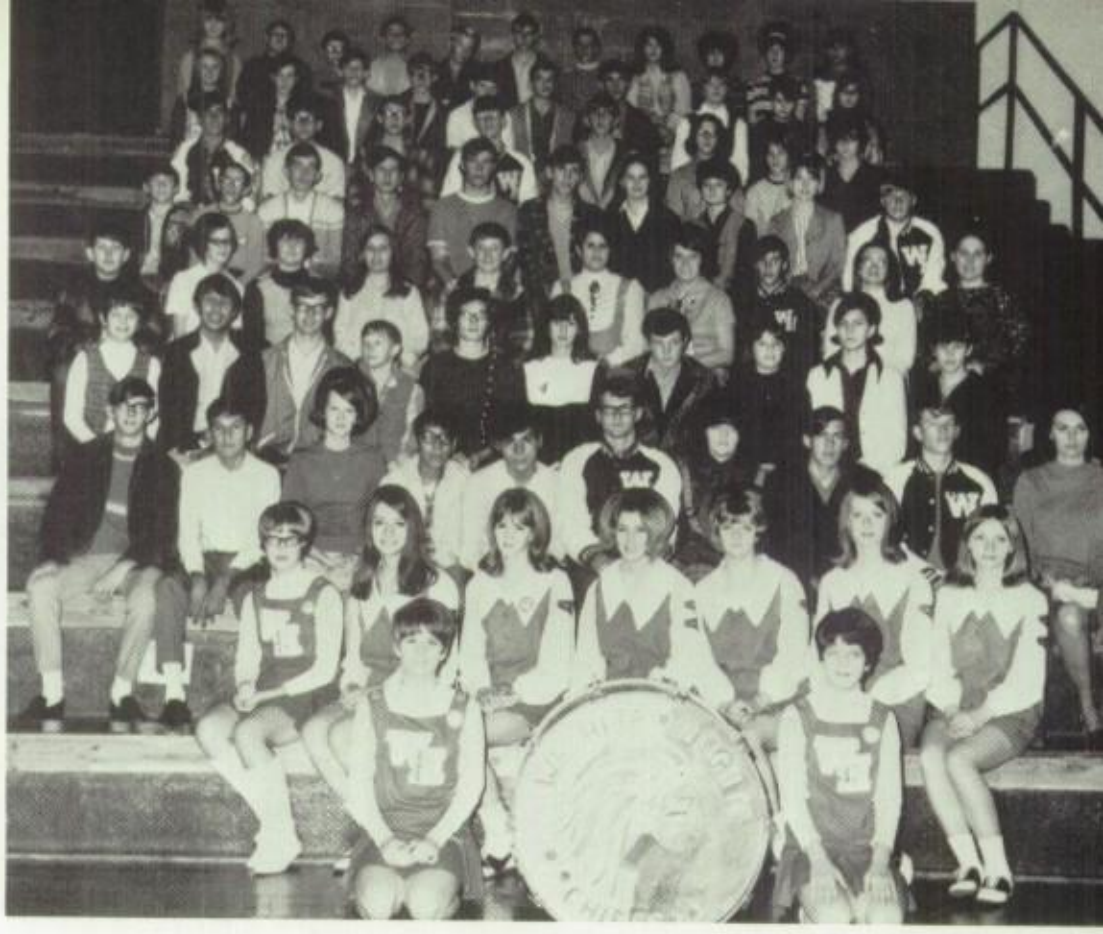
The Speech department is one of the most active departments in the school. It not only helps develop character but also a sense of responsibility and accomplishment.

This year the speech department attended a number of tournaments within the state and received honors at most of them. The play "An Occurance at Owl Creek Bridge" was presented at Regional contest and received a first place rating. Later at State contest the department received a fourth place rating on the play.

Other than just contest work the department spent many hard hours of study, preparing speeches and other assignments in make-up and stage sets.

Although the work was often hard and the hours spent long, the rewards made all the efforts put forth worthwhile.

Pep Club



The Senior High Cheerleaders are Debbie Helvey, Rhonda Luekenga, Rita Franz, Edie Vogt, Ona Flaming, and Theresa Hoock. We appreciate their faithfulness in attending all games and leading the pep club in a number of cheers and helping lead the teams to victory.

Lots of school spirit and a pep club full of enthusiasm were what made the 1970 Cheerleaders great. A gym bursting with an exuberant anticipation of victory always awaited the Chiefs. Activities such as a bonfire, pep assemblies, car honks, and a beautiful homecoming ceremony made the 1970 Chiefs Pep Club a success. Assistance provided by Mrs. Sharyn Jones, sponsor, added to the club's achievements.

Chorus

This past year a handful of students willing for hard work, formed a musical group called the Visions. With the help of Mrs. Jones the Visions became popular enough to perform for organization meetings, banquets, PTA programs, and birthday parties. Members of the group are Steve Flaming, Larry Friesen, Bill Smith, Trudy Bond, Rita Franz, Ona Flaming, Theresa Hoock, and Edie Vogt.

Spring Concert

Camelot was the name of the spring concert program given in early May ... Both high school and junior high choruses participated in it. The main characters were King Arthur - Larry F., Sir Lancelot - Troy T., and Queen Jenny - Connie V. The directors were Sharyn Jones and Jim Walker.

Smoke Signals

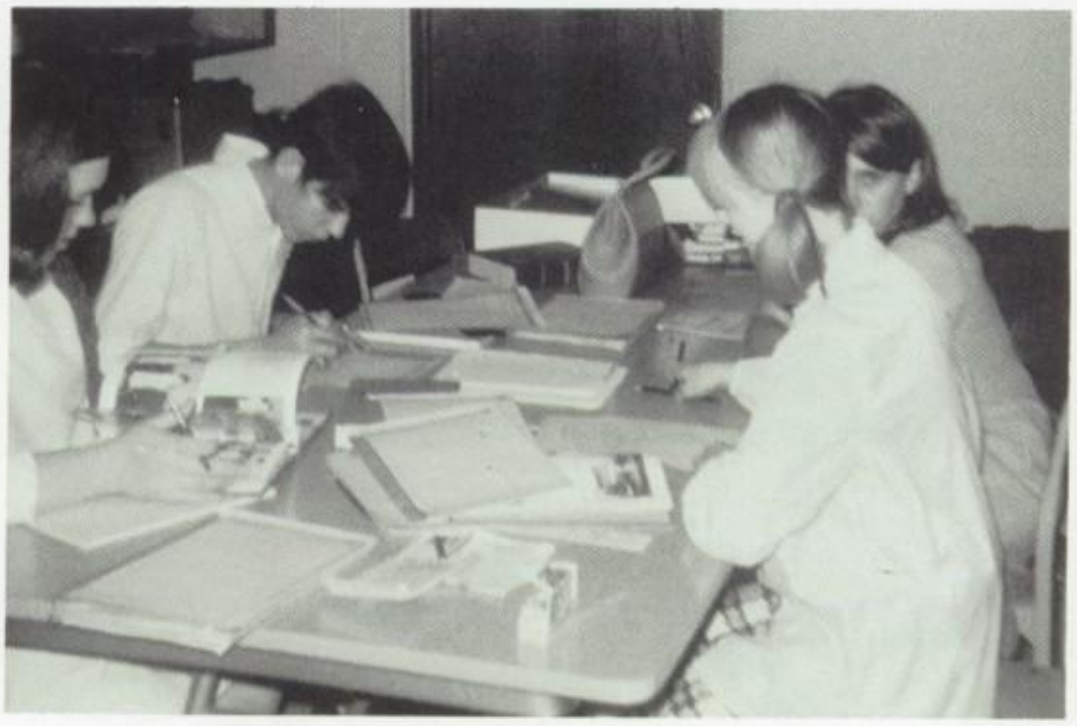
The Washita Heights newspaper, the "Smoke Signal" was edited and published each month for the enjoyment of the students. Under the guidance of Mrs. Jeanie Moser, the "Smoke Signal" contained news articles of information, reports of activities, and also the humorous aspect of the school year. Left to Right: C. Vogt, F. Ratzlaff, L. Friesen, E. Maggard, and Mrs. Moser.

Those on the Chieftain staff are L. Friesen, F. Ratzlaff, E. Maggard, C. Vogt, E. Vogt, C. Vogt, M. Dyck, and D. Helvey. The advisor is Jeanie Moser.

The Chieftain Staff

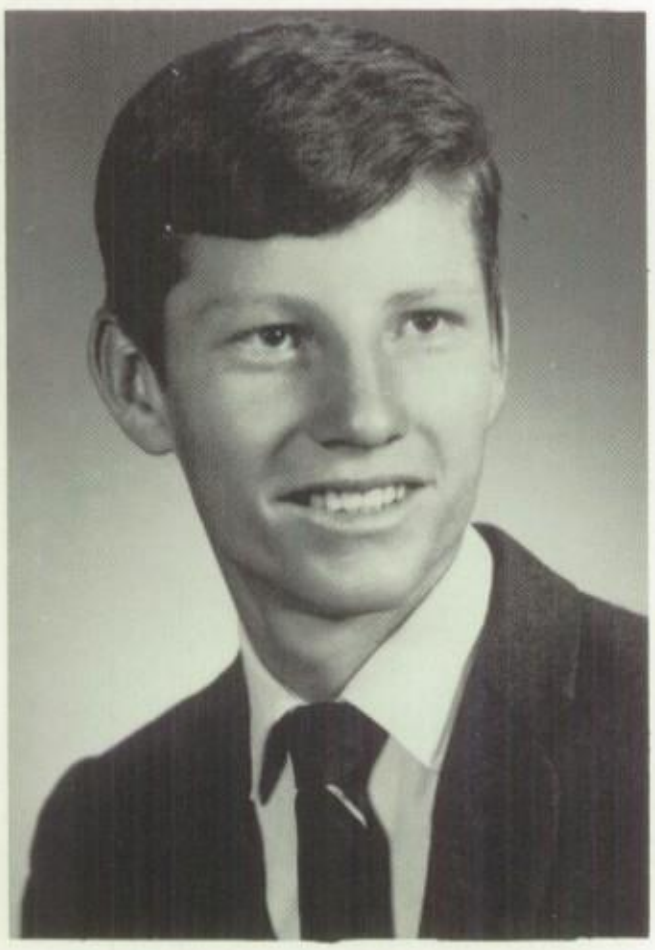
Receiving yearbook awards are seniors Larry Friesen and Frances Ratzlaff for their time and effort put forth in this yearbook.

We worked hard on this book. And in the end, we looked back over our creation, and saw the smiles on the students' faces, and our own. This is when we decided that the Chieftain was worth all the effort.



FHA

Monthly meetings were planning sessions and some of the special activities were having a hayride with the FFA boys, decorating a float for homecoming, decorating the classroom doors for Christmas, and having a sweetheart banquet to crown the FHA Beau. The chapter went to Oklahoma City for an overnight stay and to attend the State FHA Rally.



"Color Me Responsible" was the theme for the Washita Heights FHA chapter.

LYNDA LOWRY - FFA Sweetheart

FFA

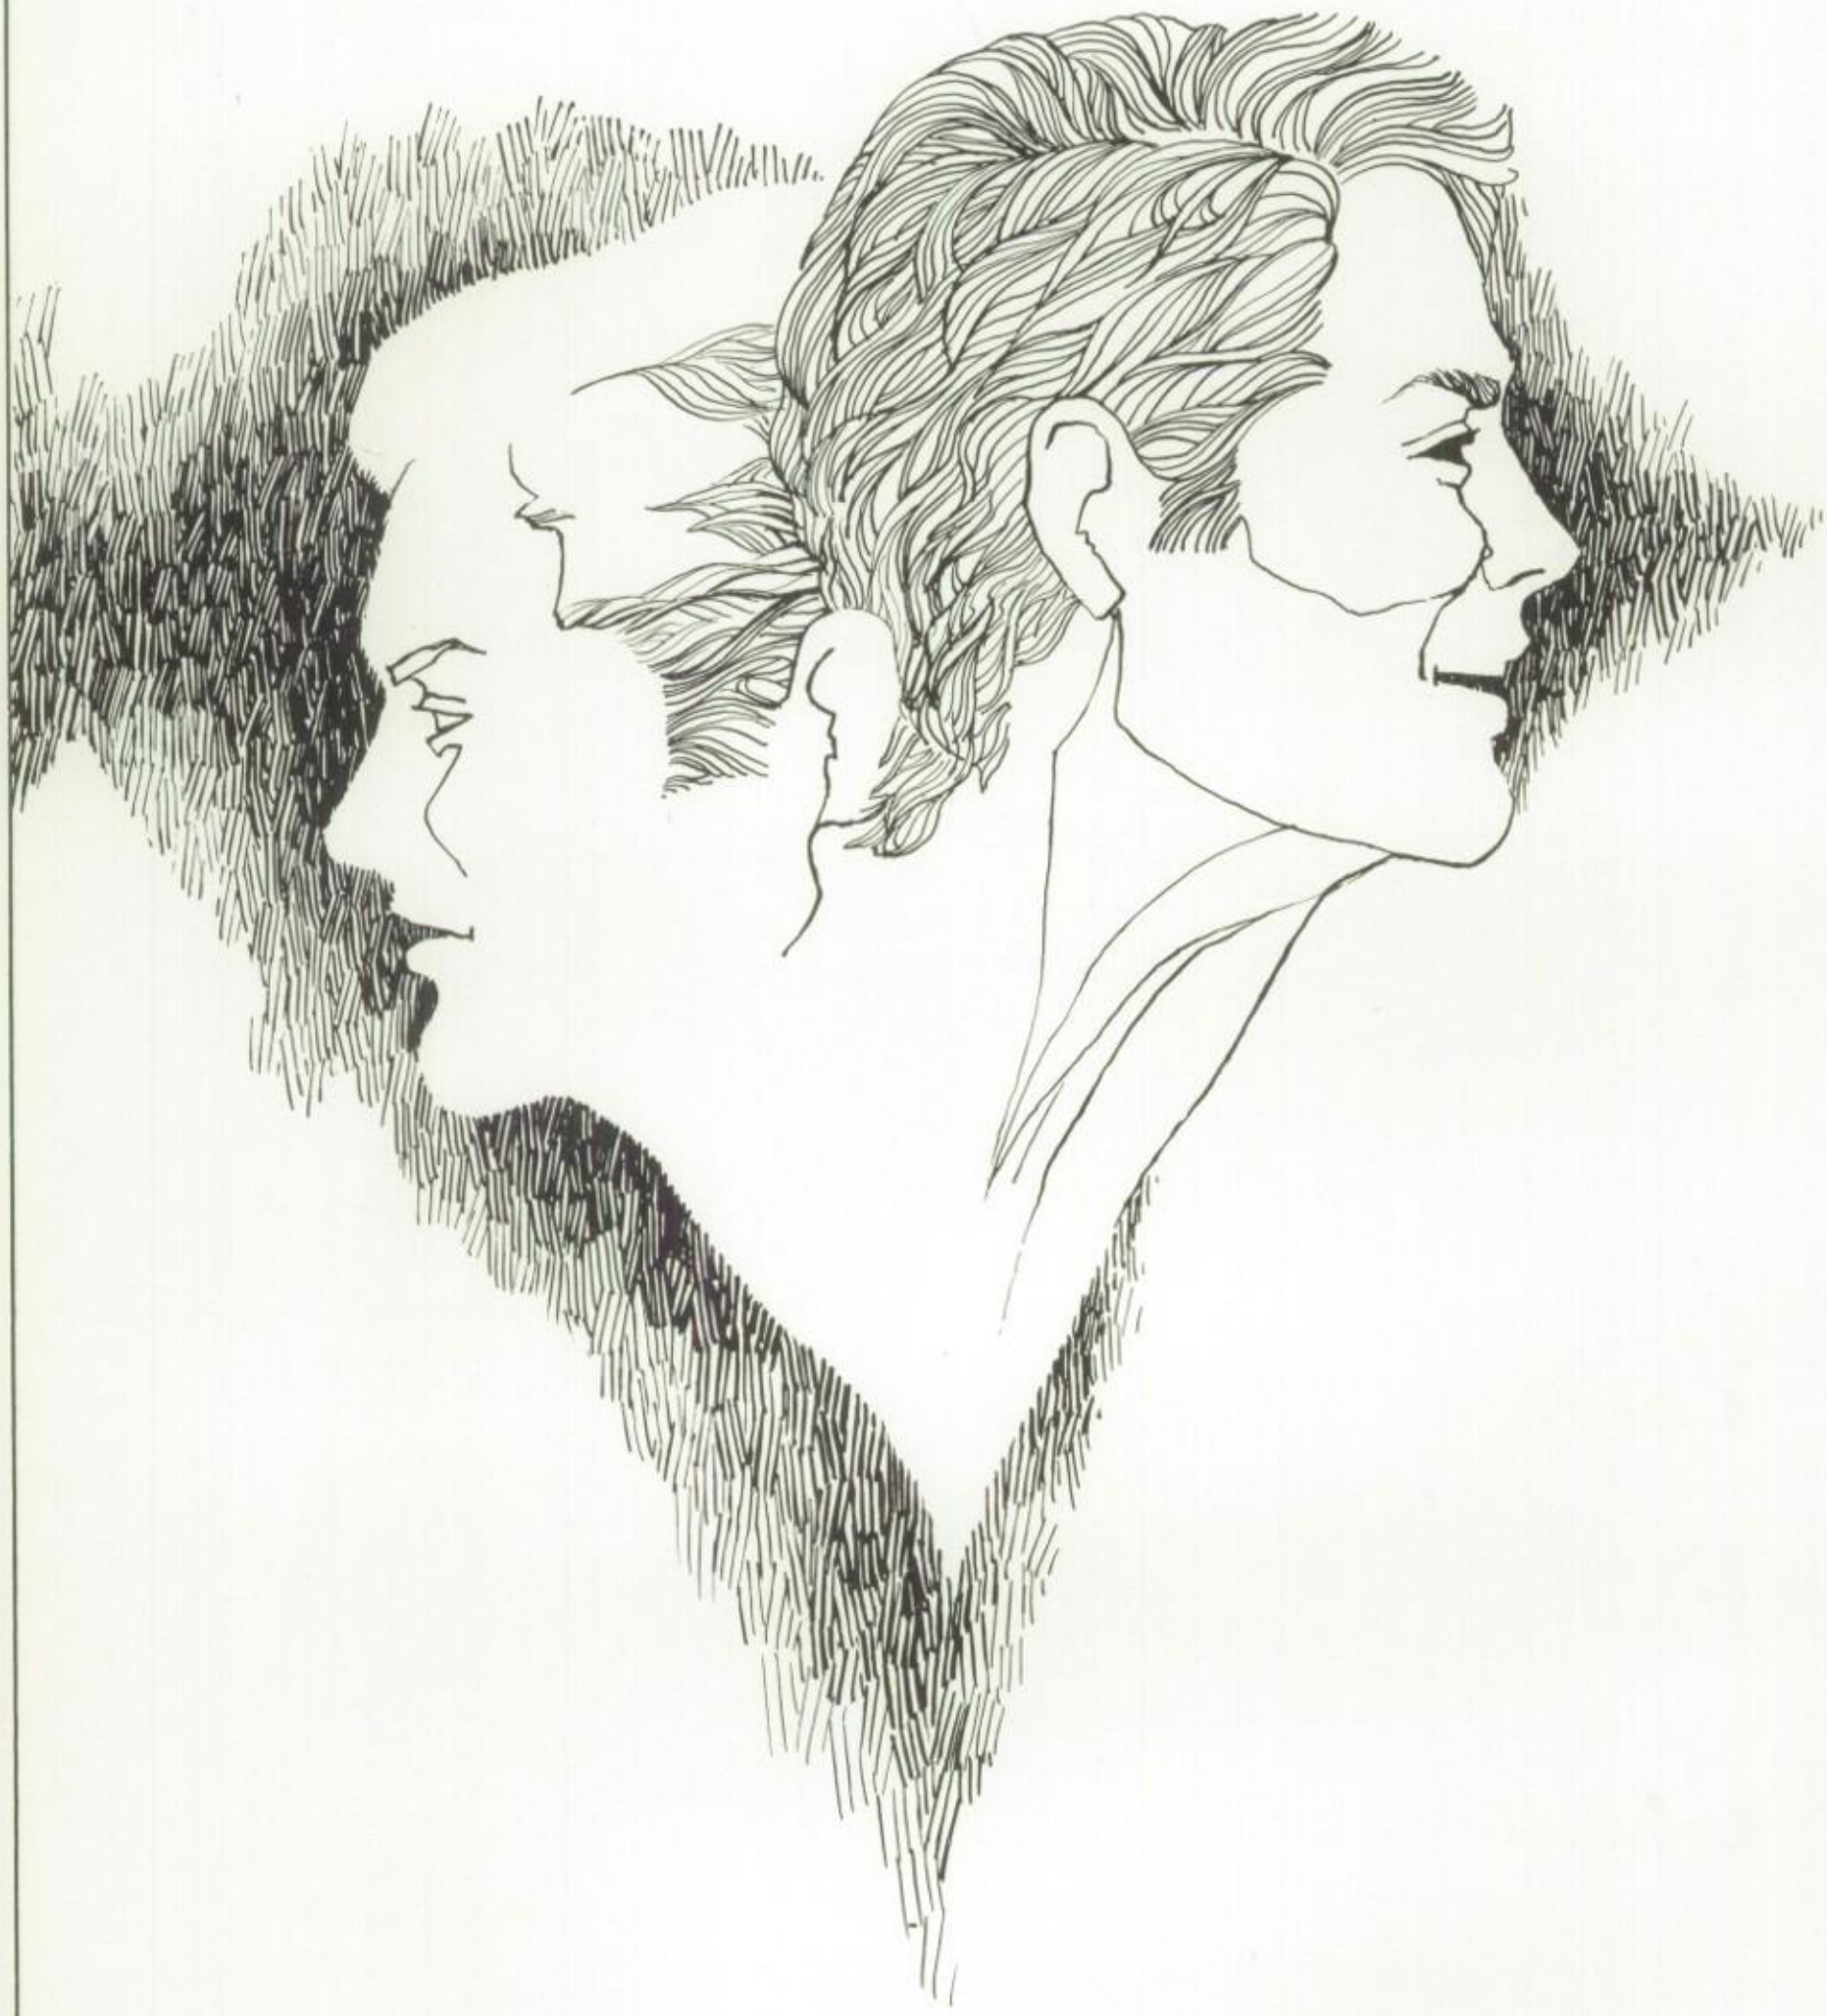
The FFA chapter sponsored by Mr. Max Boothe has worked hard this year and attained many honors for the chapter. They attended 4 local shows, 2 state shows and this year added the Fort Worth stock show to their list of livestock shows. Also, members built gates, feeders, 3 trailers and other projects in the shop. Seven officers and Mr. Boothe attended the State Convention in April with money earned by the Chapter's 1st annual chapter oyster fry.

Sr. 4-H Club

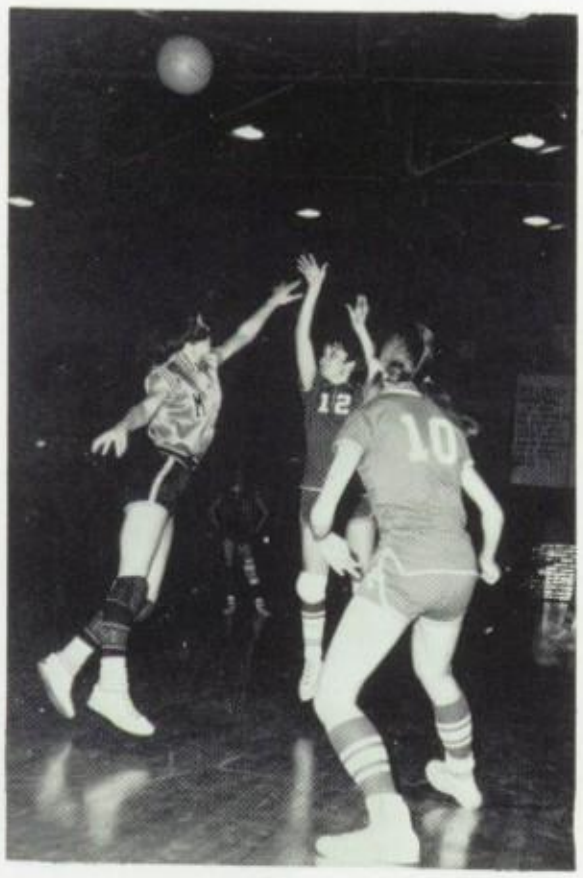
For the Sr. 4-H Club this has been a rewarding year. They won the first place trophy at the Washita County Share-the-Fun with their musical skit "The Age of Peace" and went on to District to receive a blue ribbon. For a fund raising project the club sponsored a rook and domino tournament.

Youth For Christ

The need for a spiritual organization was realized by students of WHHS and so a YFC club was organized. We appreciate greatly the opportunity to have an organization of this type.



ATHLETICS



The Chiefs events are never complete without the games and meets our fans enthusiastically support. The sports seasons change as the year moves, but the fire and energy of the Chiefs are never smothered; the thirst for a hard and driving competition is never quenched. Win or lose, the Chiefs remember the sports of 1969-1970 with pride.
